ADVANCEMENT IS A THING WE ALL STRIVE FOR

The Cole Nursery Co. has always endeavored to keep up with the times and wherever possible to make changes "for the better." You will note that we have instituted an EACH RATE FOR YOUR ACCOMMODATION (where less than five plants of a variety are wanted.) Although the type of order that this refers to usually averages well, there are often a few items wanted in small quantities, and we wish to accommodate you.

Moreover there is a further ADVANTAGE FOR YOU in that we have been enabled to LOWER THE 10 RATE PRICE ON APPROXIMATELY 500 ITEMS. We fully believe that you deserve these lower prices where 5 to 25 plants are required. We are glad to do this and of course we guarantee the usual "COLE QUALITY."
